

NEW YEAR NEW HOPE

MICHELLE FERRERI

Member of Parliament for Peterborough—Kawartha

A MESSAGE FROM YOUR MP

Happy New Year!

I hope 2024 brings you health, love, and prosperity.

These past eight years have taken a toll on Canadians. It feels like constant chaos and misery.

The cost of living is out of control; people are struggling to buy food, heating, and gas. Housing prices have doubled and to add insult to injury, Justin Trudeau has planned another 23% carbon tax hike for April 1 (no, this is not an April Fools' joke).

Everything has an expiration date and Mr. Trudeau has certainly exceeded his.

But there is hope. We have a plan, and we are here to help you. This session, the Conservative team and I are dedicated to sharing our solutions and vision to:

- Axe the tax,
- Build the homes,
- Fix the budget, and
- Stop the crime.

Our office is open Monday to Friday, 9:30 am - 4:30 pm, and my staff are ready and eager to help you with federal services such as EI, CPP, CRA, Passports, Veterans Affairs, and Immigration assistance.

We are also happy to provide House of Commons certificates for special occasions such as birthdays, anniversaries, retirements, new businesses, and other exciting achievements.

We are here to help and to listen.

Thank you to everyone who writes in, calls, and emails with your stories and concerns. I often share these stories while speaking in the House of Commons or working on one of my two committees, the Status of Women and Human Resources.

My job is to elevate your voice; only when you speak up can we change what is not working. We will make life affordable again; our kids' lives depend on it.

The winter months are long and hard for many, but before you know it, the sun will shine again. While we wait for sunshine, grab your kids, towels, and bathing suits because our **March Break Swim is back!!**

All the details can be found in this flyer.

Thank you for your support; it is an honor to serve you.

COMMON SENSE CONSERVATIVE ACCOMPLISHMENTS

Take a look at just some of the efforts our common sense Conservative team has worked on this year to pressure the government to bring home lower prices for all Canadians.

Called on the Trudeau government **to extend the federal pause on the carbon tax** to all forms of home heating for all Canadians.

Called on Trudeau's Liberal Senators **to pass Common Sense Conservative Bill C-234 to save Canadian farmers \$1 billion** in carbon taxes.

Forced multiple votes pressuring Trudeau **to axe the tax to bring home lower prices** on gas, groceries, and home heating.

Introduced Common Sense Conservative Bill C-364 to improve safety and security in rural and remote communities across Canada.

Pushed the Liberal-NDP costly coalition **to introduce a fiscal plan to balance the budget** to decrease inflation and interest rates.

Passed Common Sense Conservative Bill C-318 to deliver EI leave parity for adoptive and intended parents.

Called on the Trudeau Liberals **to take action to address foreign interference** in our democracy.

Introduced Common Sense Conservative Bill C-323 to remove the federal tax from mental health services.

Introduced the Building Homes, Not Bureaucracy Act, to bring home more affordable housing for Canadians.

Passed Common Sense Conservative Bill C-321 to address the escalating violence faced by health care professionals and first responders.

Introduced a motion to end Trudeau's deadly safe supply program and to invest in treatment and recovery for opioid addictions.

Passed Common Sense Conservative Bill C-275 to help farm families protect the biosecurity of their farms and our food supply.

Passed Common Sense Conservative Bill C-280 to ensure financial protections for Canadian produce farmers.

Passed Common Sense Conservative Bill C-281 to strengthen international human rights by holding human rights violators accountable.

Passed Common Sense Conservative Bill C-294 to support the rights of consumers and small businesses.

Common Sense Conservatives' efforts led to **the official Canada-wide launch of the suicide prevention hotline 9-8-8 as of November 30, 2023**. Help should only be 3 digits away.
